COLLEGE OF FELLOWS GOLF OUTING

The College of Fellows golf outing will be held on Sunday, October 11, on the Desert Springs Palm Course. Continental breakfast will be served at the course from 7 a.m. to 7:45 a.m. Shotgun start at 8 a.m.

The Palms course designed by acclaimed architect Ted Robinson, "King of Waterscapes," is set against a backdrop of towering mountains, rolling greens and sprawling lakes. Even a bad score can mean a good round; for how can you not simply enjoy the magnificent scenery, even if the ball seems to have a mind of its own?

Your participation is encouraged as the monies generated from the outing are for the purpose of supporting the College's scholarship activities. Use the form included with this brochure, or online, to make your reservation.

SMAC PAC'S SILVER JUBILEE

Champagne and Silver Hallmarks the Night

SMAC PAC's Congressional Insider's Club is celebrating 25 years and we plan to make the Silver Jubilee a shiny night in SMAC PAC history! Plan to wear something very shimmering and silvery to our Silver Jubilee event. You know there will be champagne, our reception and silent auction, a great dinner, and that we will give everyone a chance to support SMAC PAC with an action-packed live auction. Of course, we have professional auctioneer Jim Murphy who really knows how to make bidding fun!

To celebrate the Silver Jubilee in a very special way, one lucky winner will receive 5,000 silver dollars! SMAC PAC will sell only 150 tickets for \$100 each. We'll finish the evening with one fabulous Silvery & Glitzy Door Prize drawing and with another Sparkling Prize Drawing for all of our high bidders in the silent and live auctions. Join the celebration!

PRODUCT SHOW

SMACNA's annual product show is an excellent vehicle for you to meet industry suppliers. There is great benefit in getting to know your business partners to build solid business relationships. The table top format for the Product Show has proven to be very successful over the past years. This year's show has been expanded to five hours. A continental breakfast will be served in the show area.
