ABOUT THE EVENT

SMACNA's Fabrication Forum brings together over 250 industry professionals from fabrication leaders and sheet metal contractors to technology innovators for two days of insight, connection, and real-world application. This year, we're excited to partner with The Hill Group to offer an exclusive behind-the-scenes tour of one of Chicago's most advanced fabrication facilities.

This is a prime opportunity for companies to showcase their brand, services, and thought leadership to a targeted audience of engaged and decision-making professionals in the sheet metal and HVAC fabrication space.

SPONSOR

SMACNA Fabrication Forum attendees are the shop foremen, managers, superintendents and operational executives who have significant purchasing influence in their fabrication operations.

Our members look forward to the SMACNA Fabrication Forum, complete with the yearly Exhibit Area so they can meet in-person with suppliers and service providers that provide solutions to fit their unique needs.
