FOR IMMEDIATE RELEASE

Aeroflex USA Announces the Introduction of AEROFLEX Breathe-EZ™ EPDM Duct Insulation

Sweetwater, TN – Aeroflex USA is pleased to introduce AEROFLEX Breathe-EZ™ *fiber-free* EPDM closed-cell elastomeric duct insulation to the North American market.

AEROFLEX Breathe-EZ™ complies with the International Mechanical Code's requirement for duct covering and linings contained within building plenums to pass ASTM E84 or UL 723 flame-spread index (< 25) and smoke-developed index (< 50), while also being *listed and labeled* by a nationally recognized test lab (NRTL).

AEROFLEX Breathe-EZ™ passes ASTM E84 and is listed on Southwest Research Institute's (SwRI) Listing, Labeling & Follow-Up Inspections website. Product carton labels will also include SwRI's approved label.

Aeroflex USA will officially launch AEROFLEX Breathe-EZ™ soon with notification to the market through our channel partners. Product information and guide specifications are available by contacting Mark Sylvester at technicalsupport@aeroflexusa.com or 866.237.6235.

Aeroflex USA, Inc. manufactures the AEROFLEX® brand of EPDM closed-cell elastomeric insulation for the North American market. Aeroflex USA, Inc. is a wholly owned subsidiary of Aeroflex Co., Ltd. (AFC) and Eastern Polymer Group PLC, Bangkok, Thailand.
